

To date we've given over £4M to WaterAid (registered charity numbers 288701 and SC039479).

Belu. Made with water and ethics.

Belu gives all profits to the charity WaterAid. Thank you for helping us to transform lives worldwide with clean water.

When you drink Belu, you're part of a great water story. We wouldn't dream of exporting water to another country and we're carbon neutral. Our British mineral water bottles are made using recycled glass or plastic.
